

Botanical Pinch Pots

Materials

air-dry clay
pressed leaves/flowers
mod podge
paintbrush

STEP 1

Roll your clay into a ball.

STEP 2

Push your thumb into the middle of your ball.

STEP 3

Pinch around the edges to make a bowl shape.

STEP 4

Press pieces of dried, pressed flowers or leaves into the bottom of your pot.

STEP 5

Paint the inside of your pot with a layer of mod podge.

STEP 6

Let your pinch pot dry for 72 hours (3 full days).
