Look closely at your rock. What do you notice?
Draw your rock. Take notes about how your rock looks and feels.

My Sketch

My Notes

A large, empty square box with a thick black border, intended for drawing a rock.A rectangular box with a thick black border, containing ten horizontal lines for writing notes.

What do you wonder about your rock? Write your questions here.

A large rectangular box with a thick black border, containing ten horizontal lines and a vertical line on the left side, creating a column for writing questions.
